TNC - Strings \rightarrow Audio
or
Audio \rightarrow String

Old ones rely on old hardware

X25 Packet Protocol

AX25 \rightarrow Research HDLC

- Chunks data w/ header & footer
- Check Remainder Sum

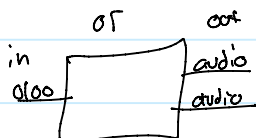

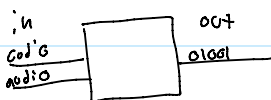

• Convert Audio to data

- ① First come up with digital logic
- ② Come up w/ analog portion

Stretch Goal is to design controller that

Min Goal

Controllers can use the packet

Use personal email

Use personal email

Wants great documentation before cool stuff
